To undocumented students:
you belong here.

To black students:
your lives matter here.

To Muslim students:
you are welcome here.

To Hispanic students:
you are valued here.

To female students:
you are respected here.

To homeless students:
may you feel at home here.

To LGBTQ+ students:
you are perfect the way you are.

To students with a disability:
you *are* able.

To ALL students:
you have a voice and the power
to change this world for the better.
